

Board of Directors - Series 1000 Strategic Planning/Commitment to Strategic Planning - 1800

The Board of Directors recognizes that the goals of high quality education for all students require structures, processes, skills and ways of thinking that must be established for the district. The Board of Directors commits the district to the process of strategic planning in order to provide a fundamental governance and management structure for the district. Board goals and planning will enable the district to respond to new developments and continually improve education. Through the strategic planning process, the Board affirms its commitment to continuing an active involvement with the community, staff and students. The district's planning, implementation and evaluation processes will include community, staff and student participation, and opportunities for public input.
