

Students - Series 3000

At Risk Students - 3150

It is the policy of the Peninsula School District to strive to eliminate barriers to a successful learning experience for all students. The Superintendent is hereby directed to explore and implement ways to meet the needs of students at risk of school failure, (in collaboration with parents and service providers). Progress will be reviewed by the Board at least annually. Principals, through the Student Family Assistance Teams, will identify students at risk of school failure and develop strategies for remediation and assistance.
