

## **Community Relations – Series 4000**

### **Contacts with School Personnel - 4309**

The learning environment and the staff's time for students shall be free from interruption. Except in emergencies, staff members shall not be interrupted in their work. Brief messages may be taken so as to permit the staff member to return a call when free.

As directed by the building principal, both certificated and classified staff members shall be available for consultation with students and patrons before school starts and after school ends. Students and patrons are urged to make appointments with staff members to assure an uninterrupted conference.
