

Financial Management – Series 7000

Purchasing: Authorization and Control - 7320

The Superintendent, Chief Finance Officer and/or designee are authorized to direct expenditures and purchases within the limits of the annual budget for the school year. The Superintendent, Chief Finance Officer and/or his/her designee shall establish procedures to monitor the expenditure of funds. Staff who obligate the district without proper prior authorization may be held personally responsible for payment of such obligations.
