

Financial Management – Series 7000 Voucher Certification and Warrant Approval - 7322

Before vouchers are submitted to the Board for approval, they shall be audited and certified by the district's appointed auditing officer for accuracy and proof that the goods or services have been received and are satisfactory and that previous payment has not been made. The certification must be signed and dated by the auditing officer or his/her designee. Vouchers shall be approved by a recorded affirmative vote of a majority of the Board.

The Board authorizes advance payment of a voucher in accordance with RCW 42.24.180. The Board shall review and approve all such payments at its next regularly scheduled public meeting. In the event claims are disapproved, the auditing officer and Superintendent shall cause the claims to be recognized as receivables and pursue collection diligently until the funds are collected or until the Board approves the payment of those claims.

The auditing officer and the Superintendent shall each furnish an official bond, for not less than \$50,000, for the faithful discharge of such duties. The school district shall purchase and pay for the surety bonds.
