So fun... it won't feel like learning!!

PURDY ELEMENTARY

Grades K-5 Sponsored by the Purdy Elementary PTA

This is a **hands-on** class where students build machines, animals, vehicles and other structures out of **LEGO** bricks, gears, and motors, using one-of-a-kind model plans designed by Bricks 4 Kidz. Each class begins with a teacher-led discussion related to the day's model and ends with time to expand their gadgets and **collaborate** with one another. *Each attendee customizes a mini-figure and takes it home at the end of the session!*
