Post Website to PSD Community Postings Page?                      Yes                      No

If your for-profit business is affiliated with a school fundraising committee (PTA or Booster Club) you may be approved for posting in a school's Community Information Area; however, you must first have the permission of the building principal. Note: the school district does not approve fundraising events that are not an activity/event sponsored by the district or school fundraising committee.

If your activity/event is not sponsored by the school district (i.e., Choral Fest), you must be a non-profit agency and you must include the following disclaimer on your submitted flyer:

**Peninsula School District does not sponsor/endorse the activity and/or information contained in this flyer.** The PSD assumes no responsibility for conduct or safety during the activity/event. In consideration for the privilege to distribute these materials, the PSD shall be held harmless from any cause of action, claim or petition filed in any court or administrative tribunal, arising out of distribution of these materials, including all costs, attorney's fees, judgments or awards.

PSD staff cannot help with distribution because their time spent doing so would be considered a gift of public funds; all materials will be handled by parent volunteers. If you have any questions, please do not hesitate to contact Julie Richards at [richardsj@psd401.net](mailto:richardsj@psd401.net) or 253-530-1003.

Thank you!
